

## Norm Hicks-Hall Proficiency Award 106 Field Workshop RAEME Inc.

Major W.I.N.S. (Norm) Hicks-Hall was the inaugural Officer Commanding 106 Fd Wksp RAEME when it was established at Nui Dat, South Vietnam, in 1968. Trish, Norm's wife, gifted money to the Association to establish "... an award as an incentive to a young tradesman of 106..." as this is what Norm would have wanted and it would be a lasting memorial to him. The Award is presented each year.
